## Presidents Message

*The European Golf Association is most grateful to the Deutscher Golf Verband E.V. and to Frankfurter Golf Club for hosting the 2025 European Ladies' Amateur Championship.*

*We welcome all players to one of the flagship events of the year! This championship brings together top-level play, world-class players, and an atmosphere of true sportsmanship. With participants from across the globe, we are proud to organise a competition that showcases not only exceptional skills but also the passion and dedication that make this sport so special.*

*Furthermore, without doubt all golfers will enjoy the privilege of competing in this event and the winner will relish the opportunity of playing in the 2025 AIG Women's Open at Royal Porthcawl.*

*As always, friendships will be enhanced by the friendly rivalry which this event provides, and I wish all competitors a most happy and enjoyable championship!*

Caroline HUYSKES, President of the European Golf Association

## Presidents Message

*The German Golf Association warmly welcomes you to the European Ladies' Amateur Championship in Germany! From July 23 to 26, the best European amateurs will gather in Frankfurt am Main to showcase their skills at the highest level.*

*The European Ladies' Amateur Championship holds a significant place in our calendar and has a long-standing tradition – which makes it even more of an honor for us to host this prestigious event for the third time. One thing is certain: the stars of the future will tee off here. This has always been the case in the history of the European Championships. Take, for example, Esther Henseleit, who won silver at the 2018 European Championship and went on to claim the silver medal at the 2024 Olympic Games as a professional. Another unforgettable name is Spain's Carlota Ciganda, European Champion in 2004 and 2008, who has been one of the world's top players since turning professional in 2012.*

*In close collaboration with the EGA and the host venue, Frankfurter Golf Club, we are committed to delivering an outstanding tournament. With the Frankfurter Golf Club, we have found the ideal partner to provide the best possible conditions for the players. My special thanks go to everyone involved in the organization, especially the President of Frankfurt Golf Club, Dr. Gabriele Sachse, for her dedication and support.*

*I extend a warm welcome to all athletes, coaches, and team staff in Germany and wish you a fantastic and successful time filled with great sporting moments!*

Claus M. KOBOLD, President of the German Golf Association

## Presidents Message

*It is a great honour and pleasure for Frankfurter Golf Club to host the European Ladies' Amateur Championship in July 2025. Our club is one of the oldest in Germany, founded 1913 by the Frankfurt industrialist and generous patron Carl von Weiberg. Our 18-hole championship course is located just a 10-minute drive from the main train station in the natural surroundings of the Frankfurt city forest. Harry S. Colt and John Morrison designed the course in the late 1920s, masterfully utilizing natural features of the terrain. The course received a „facelift“ in 2007 with the renovation of the greens and surroundings by the German architect Christoph Städler. From our signature hole, the 18th, players and visitors can enjoy a magnificent view of today's Frankfurt skyline.*

*Until 1989, our club regularly hosted the German Open and since then, major national and international tournaments have taken place here, in particular for the Ladies. We are thrilled to host this Ladies' amateur tournament as one of EGA's flagship events in 2025 and look forward to welcoming the best European amateur Ladies' players along with representatives from the European Golf Association and the German Golf Association. All our staff and volunteers are dedicated to present a championship course in excellent condition and to create a warm and welcoming atmosphere.*

Dr. Gabriele SACHSE, President of the Frankfurter Golf Club e.V, Germany

# Venue

## Frankfurter Golf Club e.V.

The Frankfurt Golf Club is one of the oldest golf clubs in Germany, founded in 1913. An impressive tree population lines the fairways of the 18-hole parkland course designed by Harry S. Colt in the Frankfurt city forest.

Around 1400 members, including around 300 children and young people have their sporting home here. No other major German city has a full-fledged golf course that can be reached in just ten minutes from the main train station and the city center. An 18-hole round with a view of the striking Frankfurt skyline from the natural oasis of our championship course is a lasting experience for every golfer!
