DIAMOND COUNTRY CLUB, AUSTRIA

EUROPEAN
SENIORS MEN'S TEAM
CHAMPIONSHIP

25

On behalf of the European Golf Association, I am grateful to the Austrian Golf Association and to Diamond Country Club for hosting the 2025 European Senior Men's Team Championship.

There is no doubt that all competitors will be conscious of the privilege of representing their country and keen to win such a prestigious team trophy.

As always, the championship will be played in the friendliest atmosphere, and many friendships will be made or renewed.

I hope that, as players, team captains, coaches, club or federation officials, all of you will also feel encouraged to support the game and its future generations and to uphold golf's traditions of integrity, fun, sportsmanship, friendship and elegance.

Best wishes to all for a most enjoyable event.

A. CLUB DETAILS

The Diamond Course, located in the beautiful Diamond Country Club in Atzenbrugg is a golf course situated in the "Tullnerfeld" region in Lower Austria, about an hour's drive to Vienna.

The course is a remarkable European Tour Properties Venue and a Member of the Leading Courses in Austria. The golf club itself is one of the most famous ones in Austria and the only golf club in Austria that is currently a European Tour destination. It hosted the event itself for a total of 11 times.

The venue also offers a golf resort which was completed and opened in 2015, and it offers 42 rooms.

The club facilities include a pro shop, a conference room, 2 restaurants (Clubhouse and Boathouse), and locker rooms. The offered services include free wi-fi, rental carts, club fitting and repairing.

The practice facilities are as follows: driving range with grass and winter tees, and two short game areas.

B. THE COURSE – 11 times European Tour Event host & past EGA Championships host

The layout of the Diamond Course challenges every player's ability. It truly is a scenic and challenging test of golf, featuring water hazards which threaten tee and approach shots on nearly every hole.

The course itself was originally designed by the well-known Jeremy Pern. Nevertheless, the course was modified a few times to keep up with trends. For instance, hole number 17, was redesigned by European Tour champion Miguel Ángel Jiménez.

Experience the European Tour standard, which allows for precise shots in challenging settings, far from those packed fairways. The trim cut grass and perfectly kept greens allow for the best games of golf, surrounded by beautiful and fair water hazards.

2. COURSE RECORD

During the European Amateur Championship at the Diamond Country Club in 2019 Matthias Schmid (GER) played a phenomenal 63 (-9) on the Diamond Course, where the past Tour events have been held. As of today, the course record still stands and waits to be beaten.

3. EUROPEAN TOUR HOST

When you play at the Diamond Country Club Atzenbrugg, you tread the same fairways once navigated by Ryder Cup hero Miguel Angel Jiménez or the 2019 Open Champion Shane Lowry. You putt on greens where victories and defeats on the European Tour are decided with millimetre precision. You face a water hazard where John Daly once sank his iron, and you play on the course where Bernd Wiesberger secured a milestone in his career, winning the European Tour Event with seven (!) birdies on the last ten holes.

For over a decade, Atzenbrugg has been the venue for the European Tour, resulting in one of Austria's most beautiful and challenging courses. Maintained year-round at the highest international level through professional greenkeeping, we offer you sophisticated course design, and impeccable course maintenance.

The Diamond Course has been a host of the European Tour for the last 11 times in Austria. The following winners have emerged from those amazing years, with hopefully more to come:

2010 JOSE MANUEL LARA (ESP)

2011 KENNETH FERRIE (ENG)

2012 BERND WIESBERGER (AUT)

2013 JOOST LUITEN (NED)

2014 MIKAEL LUNDBERG (SWE)

2015 CHRIS WOOD (ENG)

2016 ASHUN WU (CHN)

2017 DYLAN FRITELLI (RSA)

2018 MIKKO KORHONEN (FIN)

2020 MARC WARREN (SCO)
