## Message from the EGA president

On behalf of the European Golf Association, I am delighted to welcome the teams to the 2026 European Mid-Amateur Men's and Ladies' Team Championships.

We are very grateful to the Austrian Golf Association and Golfclub Föhrenwald for hosting this outstanding event and for their continued commitment to the development of European amateur golf.

Team matches are anticipated with great enthusiasm and are the highlight of the season for many, as they bring together the continent's most talented players. Ensuring that mid-amateurs have the opportunity to continue competing at the highest level of team golf is essential.

I offer my best wishes to all participating teams and hope that you will retain fond memories of this special occasion in Austria.

Joaquín Castillo  
President  
European Golf Association

## Message from the ÖGV president

As President of the Austrian Golf Association, it gives me great pleasure that Austria will once again serve as the host of an EGA Championship in 2026. It is particularly noteworthy that this marks only the third edition of the EGA Mid-Amateur Team Championship, which serves as a powerful testament to the positive development of Mid-Amateur golf across Europe

With Golfclub Föhrenwald, the host city of Wiener Neustadt, and the province of Lower Austria, a venue has been chosen that combines sporting excellence, tradition, and genuine hospitality. Having previously served as a stage for the Ladies European Tour, the club already possesses significant international experience.

Our ambition is to host this European Championship to the highest organizational standards and to provide the players with a tournament experience that focuses on fair play, team spirit, and sporting competition, matching the quality of a professional event.

The numerous EGA championships successfully held in Austria in the past are convincing proof that we will succeed once again. I would like to thank the EGA for their long-standing trust in our work, as well as all those involved in the organization, from the dedicated club officials to the Sports Director of the ÖGV.

However, none of this would be possible without the extraordinary commitment of the many helping hands who make an indispensable contribution to the success of this event in various areas. This dedication strengthens not only the tournament itself but also the cohesion within the club and the entire golfing community, as golf has the unique ability to connect people across generations and national borders. My special thanks go to all of you, and particularly to President Klaus Schneeberger.

Gerhard Frühling  
President  
Austrian Golf Association

## Message from the GC Föhrenwald president

On behalf of our members, I would like to extend a warm welcome to Golfclub Föhrenwald (GCF). Founded in 1968, we are a member-owned club with a rich history. Our course was redesigned in 1999/2000 by the renowned Irish-Canadian architect Jeff Howes, and we continue to work closely with him to ensure the facility stands the test of time.

The club is known for its vibrant atmosphere and a strong competitive tradition in both amateur and professional golf. Over the decades, many talented players have developed their skills here. A particular highlight was our Men's Team capturing the Austrian Team Championship title in 2015. Furthermore, as the host venue for the UNIQUA Ladies Golf Open (LET) from 2005 to 2012, our course and organizing team earned an international reputation for excellence and hospitality.

To maintain these high standards, we have been a proud member of the "Leading Golf Courses of Austria" since 2024.

We chose to host this European Championship to honor our long-standing member and 2024 European Mid-Amateur Champion, Markus Habeler.

As the Mayor of Wiener Neustadt, I hope you enjoy a memorable week at GCF and in our beautiful city.

Play well and enjoy the game!
