The course

Sand Martin's Holes - an 18-hole championship course - and a 9-hole **Junior Course** are open seven days a week the entire year. The course spreads out on 70 hectares of land with a manmade plateau in the middle as a dominating feature offering magnificent views on the gently undulating course with dozen water reservoirs. Par 72 course whose length from the rearmost tees is 6.516 meters has been designed by two Czech architects Miroslav Marynčák and Libor Jirásek. The spectacular 15th hole which is 652 meters long is the longest par 5 in the Czech Republic. At the approach to the 18th green there is a permanent gallery for up to 300 spectators which is another unique feature of the course. The 9-hole, lamplit, par 31 Junior Course's length is 1.500 meters. Located only a short walk from the clubhouse it presents the major part of the Outdoor Practice Facilities. Nine wonderful par 3 and par 4 holes are ideal for beginners who wish to practise in a real playing environment. Next to the Junior Course there is a driving range building with 19 sheltered posts. The driving range with spacious chipping and putting greens is the hub for sharpening your game at Mladá Boleslav.
