EUROPEAN BOYS' TEAM CHAMPIONSHIP 2020 Jean-Louis Dupont Trophy

Message from Royal Spanish Golf Federation President

It is a pleasure to welcome on behalf of the Royal Spanish Golf Federation all the teams participating in this edition of the European Boys' Team Championship which we are hosting at the magnificent El Saler golf course.

No doubt this edition will be unique, and I think we will always remember it. It has been a sad and difficult year because of the events that have happened due to the terrible pandemic of the Coronavirus that is hitting the whole world, and that has also affected our sport, forcing us to cancel or postpone many of the most relevant competitions of the International Calendar. But we feel proud to be able to receive you in our country, within the strictest norms of security and following all the necessary protocols to avoid possible infections, at the same time that we appeal to your caution, responsibility and help so that the tournament is developed with normality and without any infection. Please remember that the most important thing is the health of the players, captains, officers and organization staff.

I would also like to thank El Saler, its President and Board of Directors, as well as all the club's staff, for the effort made to host this tournament in such a short space of time, presenting the course in magnificent conditions and providing all their help and support so that the championship can run smoothly.

I hope that you all enjoy your stay in our country, and your participation in this competition, which hopefully will be a reason to return to normality in our lives and in our sport.

Best regards,

Gonzaga Escauriaza Barreiro
President
Royal Spanish Golf Federation

EUROPEAN BOYS' TEAM CHAMPIONSHIP 2020 Jean-Louis Dupont Trophy

Welcome to the El Saler Parador Golf Course!

As President of Paradores de Turismo de España, I have the pleasure of welcoming all the players, the technical team and visitors to one of our almost one hundred hotels, located in the heart of the Albufera Natural Park, in the the Spanish Mediterranean coast. The whole Paradores team, and especially the Parador Campo de Golf de El Saler, is excited to host this Championship. We have prepared both the course and our hotel facilities with everything necessary for the players to have the best concentration and the best game.

The Parador de El Saler Golf Course, inaugurated in 1968, has hosted four Spanish Open (1984, 1989, 2001 and 2013) and a Seve Trophy (2003), as well as several editions of the King's and Queen's Cup. It has also hosted the European Golf Circuit Qualification School (2013, 2014, 2015, 2016, 2017). Our course maintenance team, with the help of the Green Section of the Royal Spanish Golf Federation, has arranged a course at the best level that will look its best this October. El Saler is an example of sustainable tourism and sport and is strongly committed to caring for the environment. Our daily functioning is a good example of this. 100% of the resort's water is treated and used to irrigate the course. Solar panels give us enough energy to supply hot water for rooms, showers and spa. And the bermuda that inhabits our facilities is the grass that best adapts to this climate and that requires less water and phytosanitary. The fauna and flora of the Natural Park will accompany you during your stay and will certainly make it more unforgettable. I recommend you to take the guided tour that Natursenda uses. It will surprise you. I hope you enjoy the championship and the Parador and that you have the best stay with us.

Good luck and may the best team win.

Óscar López Águeda
President - CEO Paradores de Turismo de España

Parador de El Saler golf course is considered by professionals and enthusiasts, institutions and specialised press as one of the best golf courses in the world. Built in 1968 by Javier Arana, a great Spanish golf architect with international acclaim, it is located in El Saler Natural Park, on the shore of the Mediterranean Sea, in the Autonomous Community of Valencia; it is at the forefront of economic development in Spain and an element of pride for this region.

Its design takes into account the integration of the protected landscape (non-native species such as the famous "Cat's Claw"), and its course runs through different zones, from beach links, similar to the famous Scottish golf courses, to areas with typical Mediterranean forest. Its total length is 6,357 m, split into 18 holes, with a par of 72. The club also has a golf school, practice ground, 3 putting greens, 2 approach greens, a pro-shop, club hire, electric trolleys and carts and a snack-bar and restaurant.

Professional players and enthusiasts, as well as the specialised institutions and the Press, attest that they consider Parador de El Saler Golf Course (Valencia) as one of the top 60 courses in the world and within the top 3 in Europe..
