

# EUROPEAN LADIES' TEAM CHAMPIONSHIP

Montado Golf Resort, Palmela, Portugal

11-15 July 2017

On behalf of the European Golf Association it is my pleasure to welcome all competitors, officials and supporters to the 2017 European Ladies' Team Championship.

My thanks go to the Portuguese Golf Federation for organising this event, to the officials, staff and volunteers who work so hard to make this tournament so enjoyable for everyone.

I also extend my thanks to Montado Golf Resort and its members for making their superb golf course available for this championship.

I am certain that all will be inspired to perform at the highest level of team golf in a competitive and friendly manner.

My best wishes to all teams, officials and supporters. Have an enjoyable week and I hope you make many lasting friendships.

Jean-Marc Mommer - EUROPEAN GOLF ASSOCIATION President

Over the years we have been proud hosts of European Team and Individual Championships of several age groups and both men and women. We hosted the Bonalack Trophy twice as well as the inaugural Patsy Hankins Trophy and of course our own Portuguese International Amateur Championships, which makes Portugal one of the most active countries in terms of EGA events.

As a result, we were able to expose our country and golf courses to thousands of influent opinion leaders from all over the world, and also allowed great competitive environment for many players who later became top professional golfers.

The European Ladies' Team Championship has always been one of the targeted events allowing the development of a national strategy for female golf in Portugal as we understand that only with a strong female participation in the game it will be possible to sustainably grow it in years to come.

The Portuguese Golf Federation is very grateful to the EGA for trusting the organization of this ELTC at Montado Hotel & Golf Resort.

I take this opportunity to thank Montado Hotel & Golf Resort for hosting this championship and also for being the stage of so many Portuguese Golf Federation Championships.

I would like to thank the R&A for their support, not only to this ELTC but also for supporting the development of the game in Portugal over the years.

Finally, I would like to welcome all teams and officials to Portugal and wish you a great week. Having had the privilege to attend many European Golf Association's championships, it is a great honour to host the most important of them all in Portugal.

Miguel Franco de Sousa - PORTUGUESE GOLF FEDERATION President

Being the hosts of the European Ladies' Teams Championship places us at the top of the European charts, increasing our responsibility of "doing well".

It's an honored challenge supported by the recognition of worthy organisations that elevate the Montado Golf Resort to the stage of excellence in the organization of Major International Events.

We are fully committed with the Portuguese Golf Federation and the European Golf Association to the reception of the best players in Europe looking to keep this Championship in the memory of everyone involved.

Marco Andrade - MONTADO GOLF RESORT - General Manager
