EUROPEAN LADIES' TEAM CHAMPIONSHIP

IS MOLAS GOLF RESORT - ITALY
9th - 13th JULY 2019

R&A

ROLEX

On behalf of the European Golf Association, I am grateful to the Italian Golf Federation and to Is Molas Resort for hosting the 2019 European Ladies' Team Championship.

There is no doubt that all competitors will be conscious of the privilege of representing their country and keen to win such a prestigious trophy. Yet, I have no doubt that, as always, the championship will be played in the friendliest atmosphere and that many friendships will be made or renewed. The game of golf definitely needs its best players to remain fully committed and engaged.

I hope that, as players, team captains, club or federation officials, coaches, all of you will also feel encouraged to support the game and its future generations and to uphold golf's traditions of integrity, fun, sportsmanship, friendship and elegance.

Best wishes to all for a most happy championship!

European Golf Association

Pierre Bechmann - *President*

On behalf of the Italian Golf Federation Board, I am proud the European Golf Association has chosen Italy to host this edition of the European Ladies' Team Championship, a tournament in which the best female amateur players at global level will be competing against each other.

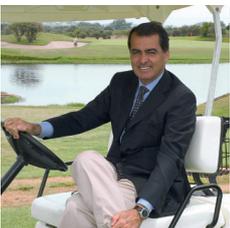

I would like to thank President Pappalardo and all Is Molas Golf Club staff for their enthusiasm and commitment shown in preparing this prestigious event. The club has already hosted many international tournaments and I am sure they will fulfil all requirements even this time.

In our roadmap to Ryder Cup 2022, these important tournaments represent a great international showcase to bring value to an amazing region such as Sardinia, whose regional committee is very active in promoting and developing golf under the management of President Stefano Arrica.

I wish all teams to enjoy this week, have a fair sport competition, typical of golf, and add that female touch that will make the tournament event more involving.

Italian Golf Federation

Franco Chimenti - *President*

Dear Players and Officials,
The Italian Golf Federation will welcome you in July in Sardinia to the European Ladies' Team Championship 2019, hosted by Is Molas Golf Club.

Is Molas Golf has over 40 years of long and successful tradition in organizing great tournaments and we are really glad to have the opportunity to host the European Ladies' Team Championship for the first time in our history, after successfully hosting the European Girls' Team Championship on 2011.

Last year we had the pleasure to organize The Italian Challenge, and early this March the Italian International Ladies' Championship, and now we are ready to prepare one of the most important tournaments in amateur golf, again this summer.

We are sure you will enjoy your time here in Italy, and return home with good souvenirs and happy memories of your visit in Sardinia. We hope the golf course and resort will meet your expectations and we wish you a successful contest and great fun with us.

VENUE

The **Is Molas golf course** was the first in Sardinia and is the largest on the island with its twenty-seven holes. The plan to create the course and club was conceived in the early seventies and it was opened in 1975. The championship will be played on the white-red competition course Par 72 - Course rating 76,5 - Slope 133 - meters 5,521. The eighteen holes of the championship course have been created out of a collaboration between the Cotton, Pennink & Partners Studio and Piero Mancinelli. The greens and the bunkers are American size and style, while the fairways are broad enough to forgive a slice. The Is Molas championship course is considered one of the most technically satisfying and spectacular courses not just in Italy, but in the whole Mediterranean area. It has staged many prestigious competitions, including four Italian Opens and a European Volvo Masters.
