## PRESIDENT'S MESSAGE

**I am most grateful to the Austrian Golf Association and Golf Club Murhof for hosting the 2018 European Ladies Team Championship.**

Murhof has been one of the most loyal supporters of EGA championships, and I have fond memories of my visit for the 1976 European Youths Team Championship.

I am sure that all players will wish to compete in the same spirit of sportsmanship and friendship which has prevailed over the Championship's history.

My best wishes to all teams for a most enjoyable and memorable event!

## THE VENUE

---

**Few Austrian golf courses are well known overseas! However, having hosted many International Championships (European Young Masters 04, 05, 06; international European Amateur Championship, European Challenge Tour, European Ladies Tour) GC Murhof has gained an International reputation. GC Murhof hosted the European Ladies' Amateur Team Championship already once in 2011.**

Many famous European Professionals have played here in their amateur years. Rory McIlroy, Paul Casey, Colin Montgomerie, Carl Pettersson and Laura Davies have all enjoyed the Bernhard von Limburger design, and the re-designed course by Michael Pinner. The beauty of the whole area and the high quality of the Golf Course with its excellent Hotel at the centre make Murhof a memorable golf site. The Clubhouse, with its delicious traditional Austrian food, will also go towards making your stay very comfortable!

## GRAZ

.....

### Cultural Capital of Europe 2003

**Graz, has a population of 272,000 and offers everything to everyone. The gateway to the South, a cultural and university city and a congress town all in one.**

#### Recommended sights

- Graz is dominated by the **SCHLOSSBERG**, a forested mountain which rises over the medieval town centre and is crisscrossed by walks from all sides. At the top, there is a bell tower which formed part of the now demolished castle and once was the emblem of the city.

You can either walk or take the famous “Schloss Bergbahn”, a mountain railway. From the top of this hill, you have the most wonderful view over Graz. Moreover, there’s a lovely restaurant there.

- **ARMOURY:** An incredible 32,000 historical arms and military equipment on five floors. The Landeszeughaus (Provincial Armoury) in Herrengasse is reputed to be the most outstanding historical weapons collection in the world.

- **KUNSTHAUS GRAZ:** A huge bluish bubble hovering above the right bank of the river Mur, is the new landmark since October 2003 Graz’s Kunsthaus, affectionately called „the friendly alien“ by its creators, Peter Cook and Colin Fournier attracts visitors to its spectacular architecture and changing exhibitions of contemporary art.
- **KAISER JOSEF MARKET:** Before six in the morning, farmers from different Styrian regions take their home-made produce to town and offer fruit and vegetable, seedlings and flowers, pumpkin-seed oil and bread, and and and ... to the discerning „townies“. A spectacle, and a sensory experience of a very special kind.
- **MURINSEL:** The New York artist Vito Acconci designed a steel grid structure in the shape of a half-opened shell. The open part – an amphitheatre for performances, but also a resting place for sun-seekers. The covered part – a very trendy café.
- **HAUPTPLATZ:** This was and still is the centre of Graz. In the Middle Ages, it was built as a trapezoidal Market Square. All Graz’s trams stop here. The major shopping streets lead to the square. If you want to get to know Graz, you have to go to the “Hauptplatz”!
