CONDITIONS OF COMPETITION

EUROPEAN SENIOR LADIES' TEAM CHAMPIONSHIP

Conditions of Competition

1. GENERAL

1.1 Eligibility of Teams

Teams are nominated by European Golf Association (EGA) Member National Golf Authorities.

If the number of entries should exceed the maximum (20), the Committee shall decide which teams will be invited to participate based on past participation, past results or both until a Division 2 is officially introduced.

1.2 Eligibility of Players

All players nominated to teams by their national golf authority must be female and:

- a) amateur golfers in accordance with the Rules of Amateur Status as approved by R&A Rules Limited;
- b) citizens of the country represented. Players with dual citizenship may only represent one country per year;
- c) playing with a handicap of 12.0 or better.
- d) 50 years or over as of 0.00 hrs on Day 1 of the Championship.

Penalty for Breach of Condition: Disqualification of player

1.3 Format

A maximum of 20 teams shall be eligible to participate and each shall comprise six players.

The Championship comprises two stages played in accordance with the Rules of Golf as approved by R&A Rules Limited, the EGA Generic Conditions, EGA Hard Card and the Local Rules as approved by the Championship Committee at the championship.

1.3.1 Stage 1 - Stroke Play

There shall be two rounds of 18 holes stroke play on Days 1 and 2 to decide the draw for the match play, which commences on Day 3.

a) Order of Play

Team Captains will determine the order of play within their teams for Days 1 and 2 using the official order of play form. If the order of play form is not submitted to the Committee:

- I. For Day 1, by 17h00 on the day preceding the Championship, the order of play will be determined alphabetically by surname.
- II. For Day 2, by 17h00 on Day 1, the order of play will be the same as for Day 1.

b) Scoring

The lowest five scores from each team's six players will count each day. The aggregate of the five lowest stroke play scores from play on Days 1 and 2 will constitute each team's score for determining the match play stage seeded draw.

c) Decision of Ties

A tie for any place in the match play order shall be decided using the lowest total of the two non-counting scores. If a tie still exists, the sum of the two lowest scores, one from each day, shall be used. For further ties, the sum of the two second lowest scores, the third lowest scores, the fourth lowest scores and, finally, the sum of the two fifth lowest scores, one from each day, shall be used. Any further tie will be decided based on the final stipulated 18, 9, 6, 3 holes or last hole of the best score from each of the tied teams.

d) Absentee Player

In the event that a registered team member cannot participate in a stipulated stroke play round and is not substituted as permitted in 1.4 (b), the team's five scores will count. In the case of a decision of ties, the team with the absentee player shall finish last. If more than one player is absent, the team shall automatically assume last place in the match play draw.

The remaining players shall be permitted to play their stroke play rounds, which the committee may use to determine match play seeding when more than one team has two or more absentee players.

1.3.2 Stage 2 - Match Play

All teams will play a one foursome and four singles match format. The stroke play will determine a seeded order for the match play. A maximum of 20 teams will be divided into a first flight of eight teams: 1 vs 8; 2 vs 7; 3 vs 6 and 4 vs 5, second flight of eight teams: 9 vs 16; 10 vs 15; 11 vs 14; and 12 vs 13 and a third flight of four teams who will play a round-robin with the team qualifying 17th playing the teams qualifying 20th, 19th and 18th on Days 3, 4 and 5 respectively. If there are fewer than 20 teams, the seeded draw will change according to a standardised EGA structure.

A win in either a foursomes or singles match shall return one point, a halved match, half a point (see 1.3.2 (c)) and a loss, zero points to the team's score. The results of the round robin will be determined based on points accumulated, with one point awarded for a win and zero for a loss. In the event of a tie, the final positions will be decided by the number of individual matches won and, if necessary, by the number of holes won (see 1.3.2 (c) Exception).

TOURNAMENT

CONDITIONS OF COMPETITION

a) Order of Play

On the eve of each match, Team Captains must provide the Committee with the order of play, using the official order of play form, for the foursomes and singles matches:

- I. for Day 3 matches, no later than 30 minutes after the completion of the second round of stroke play.
- II. for Day 4 and 5 matches, no later than 30 minutes after the completion of their team's flight the previous Day. Failure to submit the official order of play form on time will result in the order of play being determined alphabetically by surname. Once the official deadline to submit the order of play form has expired, changes in the order of play are not permitted. Exception: substitutes : see 1.4 (b). Penalty for Breach of Condition 1.3.2 (a): Disqualification of all players out of the pre-stated order of play.

b) Halved Match

In the event of a match being all square after 18 holes in any round, players shall continue to play until one wins a hole, when the match will be considered won.

Exception: Condition 1.3.2 (c).

c) Concession of Matches

When a final team match result is already decided, an individual match may be halved if all participants in that match agree.

Note: After 18 holes or any extra hole(s), if the players in an individual match remain all square and the final result of the team match has been decided, the match shall be halved. Exception: If the matches are in a flight of three competing nations or in a round robin in the third flight, players must play until there is a winner, extending the stipulated round if necessary.

d) Absentee Players

In the event that one (several) registered team member(s) cannot participate in a stipulated match play round and is not substituted as permitted in 1.4 (b), matches shall be forfeited at a position within the order of play according to the following principles.

- I. Foursome matches must not be forfeited and must always be played.
- II. If the "withdrawal" occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player placed in the position of his or her choice in the singles and that match will be forfeited.

III. If the "withdrawal" occurs after the official deadline to submit the order of play form has expired,

- i. if the absentee player is listed to play in the singles: her match shall be forfeited,
- ii. if the absentee player is listed to play in the foursome, she will be replaced by one of the players listed to play in the singles. The replacement will be determined by lot and her single match shall be forfeited. If fewer than four players are available to represent a team, that team must forfeit its match.

In the event that opposing teams would each have one or more absentee players, then these players would be deemed to have been paired together and to have halved their match. Should this require the re-pairing of matches, the player(s) in the match(es) impacted higher up the order of play will drop down to play the player(s) in the other impacted match(es). A team match tied result would be decided by stroke play qualification position.

1.4 Substitutes

a) Prior to the Start of the Championship

If a substitute player is required, the Committee must be notified, at the latest, 30 minutes before the first tee time on Day 1. After this deadline, the team must remain with the same players for the entire championship (exception see 1.4b). A substitute player is permitted for any reason, but may not participate in the practice rounds until she has been officially substituted for a team member with permission from the Committee.

A breach of this Condition may result in the substitute player not being permitted to compete.

b) After the Start of the Championship

If a substitute player is required, only for reasons of illness, injury or exceptional grounds acceptable to the Committee, the Team Captain, as long as she conforms with the eligibility condition (1.2), will be permitted to become a Playing Captain and she will take the position of the player she substitutes. The Committee must be notified of the substitution no later than 30 minutes prior to the team's first tee time. Once such a substitution has been done, the team will remain with the same players until the end of the championship and the substituted player will not be permitted to compete any more. No other substitutions are permitted.

1.7 Caddies

A player is prohibited from having a professional golfer serve as her caddie during any stipulated round.

Penalty for Breach of Condition: Match Play – At the conclusion of the hole at which the breach is discovered, the state of the match is adjusted by deducting one hole for each hole at which a breach occurred; maximum deduction per round - two holes.

Stroke Play - Two strokes for each hole at which any breach occurred; maximum penalty per round – four strokes (two strokes at each of the first two holes at which any breach occurred).

Match Play or Stroke Play – If a breach is discovered between the play of two holes, it is deemed to have been discovered during play of the next hole and the penalty must be applied accordingly. A player having a caddie in breach of this Condition must, immediately upon discovery that a breach has occurred, ensure that she conforms with this Condition for the remainder of the stipulated round. Otherwise, the player is disqualified.

1.8 Disqualification

A penalty of disqualification for a breach of the Rules or the Conditions of Competition applies only to the round in which the breach occurred unless otherwise determined by the Committee. A disqualified team will assume last place in the Championship.
