The Golf Course

Golf Resort Kaskáda is located 15 km from Brno in a magical forest valley between Kuřim and Jinačovice. The course was built with the aim to provide local community with top quality golfing and other services. It enables players to choose their own 18-hole combination from three 9-hole courses with the total length of 9.655 m. The 27-hole course was designed by reNowned British architect **Jonathan Gaunt** who puts emphasis on clear arrangement at each hole, visibility of hazards and elimination of blind shots. Gaunt's major design features include challenging mixture of maintained playing areas with the surrounding wild nature and lots of artificially built ponds. The three 9-hole championship courses are named **The Wood Course, The Stone Course** and **The Iron Course**. In addition, golfers of all skill levels can enjoy play at the 6-hole public course, the huge two-sided driving range with a roofed part, three putting greens and two chipping greens. Golf Resort Kaskáda is easily accessible Not only from the nearby Brno but also from Prague and Vienna and their international airports.

Year of opening: summer 2006
Number of holes: 27
Par: 72 (**The Stone Course + The Wood Course** combination to be played at the EBTC 2018)
Architect: Jonathan Gaunt
