Presidents Message

The European Golf Association is grateful to the Deutscher Golf Verband e.V. and Golfclub Hösel for hosting the 2024 European Team Championship for Golfers with Disability. I extend a special thanks to EDGA for their ongoing enthusiasm and hard work in organising this amazing championship.

I am sure that all competitors will enjoy the challenge of the golf course and the friendly rivalry of the event. On a personal note, I have really enjoyed watching several events for golfers with disability and was very impressed by both the level of play as well as the sportsmanship conveyed by the participants.

My best wishes to all the players, officials and supporters. Play well, enjoy yourselves and I hope that you all will get the chance to make new friendships, which may last a lifetime.

Caroline HUYSKES, President European Golf Association

Presidents Message

Representing one's country is, for many, the pinnacle of sporting achievement; to do so at the EGA European Team Championships makes wearing your country's colours even more special. We are delighted to bring the championship to GolfClub Hösel and to have the German Golf Federation as our hosts.

The European Team Championships have transformed since the first edition two decades ago. In 2024, the new format will be a breakthrough in inclusivity and representation, positioning golf as one of the most inclusive of all sports.

Congratulations on being part of this unique and prestigious event, which I trust will leave you with memories and friendships to last a lifetime.

Dr. Tony BENNETT, President of the EDGA

Presidents Message

The German Golf Association is delighted to welcome the best European golfers with disabilities to Germany from 18 to 20 July 2024. After the Special Olympic World Games 2023 in Berlin, the European Team Championship for Golfers with Disability will be the next major sporting event for people with physical and mental disabilities to take place in Germany.

The tournament, which will be held in Germany for the first time in its history, is not only an important fixture in the 2024 tournament calendar from a sporting perspective. The European Championship for Golfers with Disability also makes an important contribution in terms of integration, tolerance and diversity. These are values that have always been emphasized and lived by the German Golf Association.

In cooperation with EGA, EDGA and the organizing Golf Club Hösel, we will do everything we can to put on a top sporting event. We have found the perfect host in GC Hösel. I would therefore like to take this opportunity to thank the team led by Managing Director Uwe Born and Board Member for Sports, Herbert Baumgartner, for taking on the challenge of making the 2024 European Championship for Golfers with Disability an unforgettable experience for all participants – both on and off the golf course.

I would like to welcome all the athletes and their teams to Germany and wish them a good and successful time.

Claus M. KOBOLD, President of the German Golf Association

Presidents Message

We are delighted to be hosting the European Team Championships for the disabled this year! It is an honor for us to welcome the best athletes from all over Europe and give them the opportunity to showcase their skills and passion for sport.

The EMM is not only a sporting event, but also an opportunity to celebrate the diversity and strength of people with disabilities. We are proud to create an inclusive environment where all athletes have an equal opportunity to compete and perform at their best.

We firmly believe that this event will help to break down barriers and raise awareness of the needs and abilities of people with disabilities. We look forward to sharing an unforgettable European Disability Team Championships with the athletes, their families and supporters. Let's show together what inclusion means.

Markus HOMBRECHER, President of the Golfclub Hösel.e.V., Germany

Venue

Golfclub Hösel e.V.

With 1500 members, GC Hösel in Heiligenhaus is one of the largest golf clubs in the DGV. With two 18-hole championship courses, the family-friendly Bundesliga club is situated in a quiet location in the middle of the Düsseldorf, Duisburg, Mülheim and Essen metropolitan area. With strategically positioned bunkers, extensive roughs, biotopes and slight slopes, the south course challenges golfers with a variety of playing techniques to match their strengths.

The north course, designed by Simon Gidman, was opened in 1997 in the slightly hilly valley basin between the clubhouse and the Höselberg. Acceptable slopes and open vegetation convey an “ease” at first glance, which quickly turns into a challenging task when encountering the natural roughs and interesting and technically modern greens.

However, a clear all-round view of neighboring fairways and the modern clubhouse quickly make up for any minor sporting mishaps. In 2016, we were the first golf club in Germany to receive the seal of approval for accessibility in golf.
