

HEALTH QUESTIONNAIRE - MINOR PARTICIPANTS (U18) -

Health questionnaire relating to the state of health of the minor participant (U18) registering for a sports competition authorised by a delegated federation or organised by an approved federation, excluding disciplines with particular constraints.

Warning intended for parents or the person having parental authority: It is preferable that this questionnaire be completed by your child (or minor participant), it is up to you to estimate at what age he is able to do so. It is your responsibility to ensure that the questionnaire is correctly completed and to follow the instructions based on the answers given.

Playing sports is recommended for everyone.

Have you talked to a doctor about it? Have you gone through a medical check-up recently? Please bear in mind that this health questionnaire is not a medical check-up, there are no right or wrong answers in the questionnaire below. You can look at your health record and ask your parents for help.

Your age :years old

In the last 12 months have you:	YES	NO
Been hospitalised for a whole day or for several days?	<input type="checkbox"/>	<input type="checkbox"/>

If you answered YES to one of more questions:

You must see a doctor to investigate which sport is right for you. At the time of the visit, give the doctor this completed questionnaire.

I am informed that I must send a medical certificate of less than 6 months attesting of the absence of any contraindication to the practice of golf (in and out of competition).
