On behalf of the European Golf Association, I am grateful to the Austrian Golf Association and to Diamond Country Club for hosting the 2024 European Boys' Team Championship (Jean-Louis Dupont Trophy).

There is no doubt that all competitors will be conscious of the privilege of representing their country and keen to win such a prestigious team trophy.

As always, the championship will be played in the friendliest atmosphere and many friendships will be made or renewed.

I hope that, as players, team captains, coaches, club or federation officials, all of you will also feel encouraged to support the game and its future generations and to uphold golf's traditions of integrity, fun, sportsmanship, friendship and elegance.

Best wishes to all for a most enjoyable event.

Caroline HUYSKES

President, European Golf Association

Dear Golf Friends!

I am extremely pleased to welcome you to the European Boys' Team Championship 2024 at the Diamond Country Club. This prestigious international youth tournament is not only a highlight in the Austrian golf calendar but also of immense significance for our local young talents. The tournament offers our golf prodigies a unique platform to compete with Europe's elite juniors and showcase their skills. Names like Viktor Hovland, Ludvig Aberg, Robert MacIntyre, and our Austrian pride Sepp Straka once demonstrated their talents at this event and have since developed into international stars.

My thanks go to the hosting golf club under the leadership of President Christian Guzy, whose dedication to the youth has significantly contributed to the tournament being held on home soil once again – after 1996 (GC Gut Murstätten) and 2016 (Diamond Country Club). I would also like to thank the ÖGV support team for their tireless efforts to provide our young athletes with the best possible support on their journey.

Finally, I wish all the qualified teams exciting and fair competitions and the spectators unforgettable golf moments!

Go Team Austria!

DI Gerhard Frühling

Präsident Österreichischer Golf-Verband (ÖGV)

Diamond Country Club feels honored to be the venue of yet another elite golf tournament in its 25th anniversary year.

This time, it is a special pleasure to welcome Europe's best young amateur golf players. The development of our resort over the last 25 years has been closely guided and watched by many well-known golfers, both professional and amateur. We have hosted 11 European Tour events, and this is the 6th EGA European Championship to take place in Atzenbrugg. We are especially proud to have welcomed 9 of last year's 12 successful European Ryder Cup players to our resort. Noteworthy, Ludvig Åberg, Viktor Hovland, and Robert MacIntyre have played EGA events on this very course.

We have always been and still are committed to guaranteeing golfers the best playing conditions, which has helped not only famous players like Miguel Ángel Jiménez, Sepp Straka, Matt Fitzpatrick and Shane Lowry, but also the best up-and-coming players achieve peak performances.

The European Boys' Team Championship also provides a chance for Austrian golf to build its international reputation. Lower Austria in particular, with its many excellent golf courses surrounding Vienna, deserves more awareness and recognition!

We aim to be an ambassador for the outstanding work that is performed in eastern Austria and to reflect this as a leading golf resort. Diamond Country Club has taken on this responsibility as Austria's only European Tour Destination, and we are grateful to the EGA for their trust.

Mag. Christian Guzy

VENUE INFORMATION

CLUB DETAILS

The Diamond Course, located in the beautiful Diamond Country Club in Atzenbrugg is a golf course situated in the "Tullnerfeld" region in Lower Austria, about an hour's drive to Vienna.

The course is a remarkable European Tour Properties Venue and a Member of the Leading Courses in Austria. The golf club itself is one of the most famous ones in Austria and the only golf club in Austria that is currently a European Tour destination. It hosted the event itself for a total of 11 times.

The venue also offers a golf resort which was completed and opened in 2015, and it offers 42 rooms.

The club facilities include a pro shop, a conference room, 2 restaurants (Clubhouse and Boathouse), and locker rooms. The offered services include free wi-fi, rental carts, club fitting and repairing.

The practice facilities are as follows: driving range with grass and winter tees, and two short game areas.

THE COURSE – 11 times European Tour Event host & past EGA Championships host

The layout of the Diamond Course challenges every player's ability. It truly is a scenic and challenging test of golf, featuring water hazards which threaten tee and approach shots on nearly every hole.

The course itself was originally designed by the well-known Jeremy Pern. Nevertheless, the course was modified a few times to keep up with trends. For instance, hole number 17, was redesigned by European Tour champion Miguel Ángel Jiménez.

Experience the European Tour standard, which allows for precise shots in challenging settings, far from those packed fairways. The trim cut grass and perfectly kept greens allow for the best games of golf, surrounded by beautiful and fair water hazards.
