Welcome Message – GGK President

I would like to extend a very warm welcome to our club to all coaches and competitors. We are very proud at Göteborgs Golf Klubb to host the 2024 European Girls' Team Championship, and everyone is looking forward to seeing you play here for the trophy.

You will face a tight and challenging old-style course, in fact the oldest in Sweden, dating back to 1902.

Our junior section at the club is a source of pride for us, and one of the girls, Linnea Ström who is now on the LPGA Tour, was on the victorious teams in this very event both in 2012 and 2013.

On behalf of everyone here I hope for lots of great golf, an exciting championship, and many new friendships this summer. May the best team win!

A brief history of Göteborgs Golf Klubb!

Göteborgs Golf Klubb was founded in 1902 and is the oldest golf club in Sweden but its' precursor, Gothenburg Golf Club, was founded as early as 1891.

The Gothenburg Golf Club course, located in Sannegården on Hisingen, was reached by steamboat, was 900 meters long and had six holes.

In 1904 Göteborgs Golf Klubb moved its location to Hovås and a new course that consisted of six holes was built. This was made possible due to the opening of the new railroad between Göteborg and Särö.

One of the holes was the current second hole (played as hole 16 in the championship) which is the oldest existing hole played in Sweden.

The course was extended to 9 holes in 1908, to 12 holes in 1923 and finally to 18 holes in 1933.

Göteborgs Golf Klubb has had numerous of competitions and championships over the years including the first Swedish Championship that was played in 1904, Stewart Challenge Cup, and the first professional event played in Sweden in 1916.

Göteborgs Golf Klubb has worked hard in trying to develop successful players and two of the most prominent players in the latter years are Linnea Ström (who recently won on the LPGA Tour) and Carl Pettersson who won the 2000 European Amateur Championship.

EUROPEAN GIRLS' TEAM CHAMPIONSHIP

TERMS OF COMPETITION AND LOCAL RULES

1. GENERAL

1.1 Eligibility of Teams

Teams are nominated by European Golf Association (EGA) Member National Golf Authorities.

If the number of entries should exceed the maximum (20), the Committee have the discretion to increase the number of teams based on the logistics at the local venue and/or will decide which teams will be invited to participate based on past participation, past results or both until a Division 2 is officially introduced.

1.2 Eligibility of Players

All players nominated to teams by their national golf authority must be of the female gender and :

- a) amateur golfers in accordance with the Rules of Amateur Status as approved by R&A Rules Limited;
- b) citizens of the country represented. Players with dual citizenship may only represent one country per year in EGA championships and international matches;
- c) playing with a WHS Handicap Index (or other equivalent) of **14.0** or better;
- d) born in any year from and including 2006.

Penalty for Breach of Eligibility Term: disqualification of player.

1.3 Format

A maximum of 20 teams shall be eligible to participate and each shall comprise six players.

The Championship comprises two stages played in accordance with the 2023 Rules of Golf as approved by R&A Rules Limited, the EGA Generic Terms of Competition and Regulations, the EGA Hard Card and the Local Rules as approved by the Championship Committee at the championship.

1.3.1 Stage 1 - Stroke Play

There shall be two rounds of 18 holes stroke play on Days 1 and 2 to decide the seeded draw for the match play, which commences on Day 3.

a) Order of Play

Team Captains will determine the order of play within their teams for Days 1 and 2 using the official order of play form. If the order of play form is not submitted to the Committee:

- I. for Day 1, by 17h00 on the day preceding the Championship, the order of play will be determined alphabetically by surname;
- II. for Day 2, by 17h00 on Day 1, the order of play will be the same as for Day 1.

Once the official deadline to submit the order of play form has expired, changes in the order of play are not permitted.

b) Scoring

The lowest five scores from each team's six players will count each day. The aggregate of the five lowest stroke play scores from play on Days 1 and 2 will constitute each team's score.

c) Decision of Ties

A tie for any place in the match play order shall be decided using the lowest total of the two non-counting scores, one from each day. If a tie still exists, the sum of the two lowest scores, one from each day, shall be used. For further ties, the sum of the two second lowest scores, the third lowest scores and, finally, the fourth lowest scores, one from each day, shall be used. Any further tie will be decided based on the final 18, 9, 6, 3 holes or last hole of the best score from each of the tied teams.

A team that has returned one or more non valid scores (no show, withdrawal, disqualification) will be ranked last in the tie decision. The team's remaining scores shall be used to determine the match play seeding when more than one team fail to return six valid scores per day.

d) Failure to Return Valid Scores

A team that fails to return five valid scores per day for any reason (no show, withdrawal, disqualification) will assume last place in the match play draw. The team's remaining scores shall be used to determine the match play seeding when more than one team fail to return the required number of valid scores.

1.3.2 Stage 2 - Match Play

Irrespective of the number of teams entered, only teams in contention for a medal will play a match format of two foursomes and five singles. All other teams will play a one foursome and four singles match format.

The stroke play will determine a seeded order for the match play. Teams will be divided into a first flight of eight teams: 1 vs 8; 2 vs 7; 3 vs 6, and 4 vs 5, second flight of eight teams: 9 vs 16; 10 vs 15; 11 vs 14; and 12 vs 13 and a third flight of four teams who will play a round-robin with the team qualifying 17th playing the teams qualifying 20th, 19th and 18th on Days 3, 4 and 5 respectively.

If there are fewer or more than 20 teams, the seeded draw will change according to a standardised EGA format.

A win in either a foursomes or singles match shall return one point, a tied match, half a point (see 1.3.2 (c)) and a loss, zero points to the team's score. The results of the round robin will be determined based on points accumulated, with one point awarded for a win, half a point for a tie, and zero for a loss. In the event of a tie, the final positions will be decided by the number of individual matches won and, if necessary, by the number of holes won (see 1.3.2 (e) Exception).

a) Order of Play

Team Captains must provide the Committee with their team foursomes and singles orders of play using the official order of play form:

EUROPEAN GIRLS' TEAM CHAMPIONSHIP

TERMS OF COMPETITION AND LOCAL RULES

- I. for Day 3 matches, no later than 30 minutes after the completion of the second round of stroke play.
- II. for Day 4 and 5 matches, no later than 30 minutes after the completion of their team's flight the previous day.

Failure to submit the official order of play form on time will result in the order of play being determined alphabetically by surname.

Once the official deadline to submit the order of play form has expired, changes in the order of play are not permitted.

Exception: Term 1.4 (b).

Penalty for Breach of Term 1.3.2 (a): disqualification of all players out of the pre-stated order of play.

The draw will be published as soon as possible after the deadline has expired.

b) Tied Match

In the event of a match being all square after 18 holes in any round, players shall continue to play until one wins a hole, when the match will be considered won.

Exception: Term 1.3.2 (c).

c) Concession of Matches

When a final team match result is already decided, an individual match may be tied if all participants in that match agree.

Note: after 18 holes or any extra hole(s), if the players in an individual match remain all square and the final result of the team match has been decided, the match in question will be tied.

Exception: if the matches within a flight are to be played as a round robin, players must play until the end of the round which will not be extended into extra holes.

d) Absentee Players

In the event that one (several) registered team member(s) cannot participate in a stipulated match play round, matches shall be forfeited at a position within the order of play according to the following principles.

- I. Foursome matches must not be forfeited and must always be played.

Exception: in a medal-contention match, if a team has three absentee players, one foursome will be forfeited.

II. Non-Medal Contention Matches

- i. If the "withdrawal" occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player placed in the position of their choice in the singles and that match will be forfeited.
- ii. If the "withdrawal" occurs after the official deadline to submit the order of play form has expired,

- if the absentee player is listed to play in the singles: her match shall be forfeited,
- if the absentee player is listed to play in the foursome, she will be replaced by one of the players listed to play in the singles. The replacement will be determined by lot and her single match shall be forfeited.

If fewer than four players are available to represent a team, that team must forfeit its match.

III. Medal Contention Matches

- i. If the "withdrawal" occurs before the official deadline to submit the order of play form has expired, the Team Captain will return the order of play form with the absentee player(s) placed in the position(s) of their choice and the match(es) shall be forfeited.
- ii. If the "withdrawal" occurs after the official deadline to submit the order of play form has expired, the absentee player(s) match(es) shall be forfeited.

Exception: Term 1.4 (b).

If fewer than three players are available to represent a team, that team must forfeit its match.

Note to I, II and III: In the event that opposing teams would each have one or more absentee players, then these players would be deemed to have been paired together and to have tied their match. Should this require the re-pairing of matches, the player(s) in the match(es) impacted higher in the order of play will descend to play the player(s) in the other impacted match(es). A team match tied result would be decided by stroke play qualification position.

1.4 Substitutions

a) Before the championship

If a substitute player is required, the Committee must be notified, at the latest, 30 minutes before the first tee time of Day 1. After this deadline, the team must remain with the same players for the entire Championship. A substitute player is permitted for any reason, but may not participate in the practice rounds until she has been officially substituted for a team member with permission from the Committee. A breach of this Term may result in the substitute player not being permitted to compete.

b) During the Championship

One substitution for the medal-contention foursomes and one substitution for the medal-contention singles may be made each day and for any reason. The Committee must be notified of a substitution no later than 30 minutes prior to the team's first foursomes / singles tee time. The

EUROPEAN GIRLS' TEAM CHAMPIONSHIP

TERMS OF COMPETITION AND LOCAL RULES

Penalty for Breach of Local Rule: disqualification of Team.

Procedure if a team has not nominated a Team Captain: the player whose surname comes first alphabetically will automatically be appointed the team captain.

(a)) and the second may or may not be a professional golfer. The advice givers must be identified to the Committee via the "Registration Form" prior to the start of the Championship and must remain unchanged for the duration of the championship, unless agreed by the Championship Committee under exceptional circumstances.

Penalty for Breach of Local Rule: the player gets the general penalty for each hole during which she is in breach of the local rule. If the breach happens between two holes, the player gets the general penalty for the next hole.

1.8 Disqualification

A penalty of disqualification for a breach of the Rules or the Terms of Competition applies only to the round in which the breach occurred unless otherwise determined by the Committee.

2. PRIZES
